CARLOAD OF TROTTERS AND PACERS ARRIVES

Woodring Brings Fast Horses From California For Decoration Day.

W. H. Woodring of Birmingham arrived from Los Angeles, Cal., Tuesday morning with a carload of fast trotters and pacers for the Decoration day races scheduled at Wadsworth. Among the horses were Queen Pomona, having a racing record of 2:04, and Ovela, with a trotting record of 2:12, both horses being the property of C. H. Thompson of this city. Queen Pomona has won the majority of her races on the California circuit the past winter, and is considered one of the best horses in the country. It is said that she can clip the mile in 2:02. Lizzie Bussard, belonging to Mr. Hamilton, and Conchita, property of Woodring & Jenson of Birmingham were also in the car.

LARGE CROWD WITNESSES TAME BOXING CONTEST

NEW YORK, May 26.—Terry McGovern of Brooklyn and Spike Robinson, the English featherweight, fought six rounds tonight at the National Athletic club, giving a somewhat sensational exhibition to a large crowd which watched them. No decision was rendered, but under any conditions the fight probably would have been a draw, although Robinson's play had the better of it toward the end. McGovern started well and during the first four rounds landed enough blows to have put his man out many times over had they had any steam behind them. They lacked force, however, and did not seem to bother the Englishman much.

TENNIS PLAYERS TO MEET FOR STATE TITLE

Tennis will be one of the most popular summer athletic games in the city the coming season. SEVENTY-TWO RIDERS ENTER FOR ROAD RACE

Manager Rippetto of the Lagoon road race announced Tuesday that the entries had closed and that he had received seventy-two for the contest. This is the largest entry list in the history of the race, and Rippetto feels confident that the race will be a success. The handicapping will be done Thursday evening, and will not be announced until the morning of the race at the lake. In order that the riders cannot get together and "frame up" to win, the riders will all line up on the lake, and as their names will be called they will be sent away from the mark toward Lagoon. The time limit in the race will be about twelve minutes.

Bain Spills Outing.

The street car men's excursion at the Salt Palace Tuesday proved a failure owing to bad weather. It rained hard all morning, but cleared away in noon. Early in the afternoon several hundred people went to the resort, where athletic games were promoted. The evening's programme had to be called off on account of rain.

Challenges Any Team.

The Little Giants defeated the Lucky Nines Tuesday afternoon on the Tower grounds by a score of 31 to 6. The Giants were there in hitting, scoring runs whenever they pleased. Several athletic challenges any team in the city between the ages of twelve and fifteen years.

MEN WORK IN RAIN TO COMPLETE TRACK

Chapman Says Sauer Will Be One of the Best in the World.

Manager Chapman of the Salt Lake team track was a busy man Tuesday. The heavy rain of the past two days has interfered greatly with the completion of the saucer track and in order to get it finished by Decoration day, Chapman had the men work in the rain. The surface is going up fast, and it will be ready by Friday to ride upon, and the race will be held Saturday at 4 p. m., as scheduled. This will be one of the most perfect tracks in the world. It is banked at an angle of 45 degrees, and the turns are lost in the stretches with such a gradual slope that Chapman claims it will be impossible for a rider to distinguish them when he hits the turns. The stretches are nearly as long as those of the Salt Palace track, notwithstanding the track is two laps longer. Chapman says that motors can go a mile a minute without slipping. This means that before the close of the season that the world's records will be broken on the track as well as many of the competition records.

Classified Advertisements Bring Answers By Mail

NEARLY every time the postman makes a delivery to The Tribune Office, he has a big bundle of letters for the classified advertisers.

When you want to buy or sell; when you want an employee, or when you want a position, you can advertise without having it known all over town. You can have the answers to your advertisement delivered to The Tribune office, and nobody will know who is advertising until you want to let them know.

You'd be surprised to know how many people avail themselves of the conveniences of The Tribune office. Last week a widow, quite prominent in social circles, decided that she wanted to rent one of the rooms in her spacious house. Of course, she didn't want the whole town to know that she was taking in boarders. She placed a little WANTED AD in THE TRIBUNE, and had the people who wanted that kind of a room send their letters in care of THE TRIBUNE OFFICE. She called, received the letters, and answered the ones that looked right to her. Today she has a boarder, and her neighbors don't even know that she advertised.
